

Tipico

Years ago, The Giver, a generous spirit, wandered the world in search of peace and love. She chose Western New York as her resting spot because of the sincere kindness she felt within the community. It's obvious to anyone who passes through, observed The Giver, that these are people who want each other to succeed – truly the city of good neighbors. And so, The Giver made Western New York her home and delighted in the camaraderie and love that surrounded her.

The Tipico team has created a special Winter Seasonal Blend to honor The Giver. This blend represents more than just our best coffees, it reminds us of the importance of celebrating those who bring joy into our lives each and every day.

This winter, show your appreciation for someone who has left their mark on you by gifting them a bag (or maybe two) of this delicious blend. For our part, we will help spread the kindness even further by donating up to 25% of the proceeds to Crisis Services of Erie County and Friends of the Night People – two organizations working tirelessly to serve our community during these challenging times.

The Giver is a limited-edition blend available each year starting in December through February. To commemorate the first year of this special tradition we will be including this story along with a personal note of thanks to your preferred recipient with all gift orders!

With thanks to you this Holiday Season,
The Tipico Team
